

Certificate of Participation

This certifies that

Mrs Zsuzsanna Szalayné Tahy

has successfully completed the

FLARE - Flipped learning & AI for Reflective Education
Professional Development Workshop

held from **25 August to 15 September 2025**
under the **ASEFClassNet EmpowerEd initiative.**

This four-week journey empowered educators to reimagine teaching through flipped learning, pairing clear pedagogy with accessible AI tools to make preparation lighter and class time richer. Participants designed AI-supported materials, built reflective self-assessments aligned with local curricula, and fostered student autonomy through practical, collaborative workflows.

This certificate recognises your commitment to purposeful, learner-centred design and to creating engaging, shareable experiences that elevate teaching and empower every student.

Issued on 1 October 2025

Teacher Trainer: Lauri Hellsten (Finland) - STEM Teacher of the Year 2023
